Technology with a Purpose

ViziTech USA is a state of the art training and education company, specializing in 3D and interactive/ augmented reality learning programs and technology. We offer 2D and 3D Hardware, software, imaging, and custom content solutions for your training and educational needs.

Core Competencies

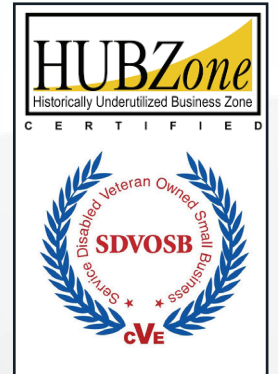

- STEM Program design and development
- 3D interactive, Augmented , and Haptic based educational systems
- Critical Path and core competency educational curriculum and courses
- Industry leading interactive training programs
- 3D immersion simulators for traffic control and management
- 3D, Virtual Interactive training for first responder training
- 3D/2D video design, videography, filming, editing, special effects and production
- SME at combining experience based learning and educational programs
- Experience R&D team with proven capabilities from conception to design to production to end user
- Full spectrum training capabilities from on the ground to board level instruction
- Maintenance and troubleshooting for heavy equipment and aviation assets
- Training programs for Electrical industry from Lineman to Power generation to transmission/distribution including substation design, repair and safety programs
- Green energy programs for wind energy
- Electrical power plant operations for hydro, fossil fuel and nuclear plants

NAICS & Class Codes

- 611430 Professional and Management Development Training
- 611420 Computer Training
- 423430 Computer and Computer Peripheral Equipment and Software Merchant Wholesalers
- 611519 Other Technical and Trade Schools
- Category AF1
- Category U0

Company Snapshot

Cage: 5RY58 **DUNS:** 832411313
Gov. Business POC: Charles S. Rodeheaver Brigadier General US Army (Ret)
Phone: (404) 725-5104
E-Mail: csr@vizitechusa.com
Address: 103 East Sumter St. Eatonton, GA 31204
Work Area: Nationwide
Website: www.vizitechusa.com
Take Aways: Service Disabled Veteran Owned, HUBZONE

Past Performance

USACI L-Atlanta Gunshot Residue Investigation Techniques
USACIL-Atlanta DNA Analysis Procedures
US Army Biometrics and Forensics Ft. Huachuca-WITT Training
US Department of Energy-Savannah, GA Electrical Lineman Utility Course
Gulfstream Aviation 3D program for 650R aircraft crew training
GA Department of Transportation-Atlanta Provided Simulator for traffic management and first responder training for law enforcement/HERO training
Additional Projects - Serving over 1200 K-12 schools, 10 Universities & Currently 10 Fortune 500 Companies.

Differentiators

- Experienced program and project management team producing on time, under budget and above expectation products.
- 9 years in business
- 40 years combined experience in the educational/ training and 3D production fields
- Flag officer experience on staff, TS/SCI clearance attainable if needed
